

WARNING: PLEASE CAREFULLY READ THE PRECAUTIONS BOOKLET INCLUDED WITH THIS PRODUCT BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM, GAME PAK OR ACCESSORY. THIS BOOKLET CONTAINS IMPORTANT SAFETY INFORMATION.

IMPORTANT SAFETY INFORMATION - READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES

Some people (about 1 in 4000) may have seizures or black outs triggered by light flashes, such as while watching TV or playing video games, even if they have never had a seizure before.

Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.

Parents should watch when their children play video games. Stop playing and consult a doctor if you or your child have any of the following symptoms:

Convulsions
Altered vision

Eye or muscle twitching Involuntary movements Loss of awareness Disorientation

To reduce the likelihood of a seizure when playing video games:

- 1. Sit or stand as far from the screen as possible.
- 2. Play video games on the smallest available television screen.
- 3. Do not play if you are tired or need sleep.
- 4. Play in a well-lit room.
- 5. Take a 10 to 15 minute break every hour.

WARNING - Repetitive Motion Injuries

Playing video games can make your muscles, joints or skin hurt after a few hours. Follow these instructions to avoid problems such as Tendonitis, Carpal Tunnel Syndrome or skin irritation:

- · Take a 10 to 15 minute break every hour, even if you don't think you need it.
- If your hands, wrists or arms become tired or sore while playing, stop and rest them for several hours before playing again.
- If you continue to have sore hands, wrists or arms during or after play, stop playing and see a doctor.

WARNING - Battery Leakage

Leakage of battery acid can cause personal injury as well as damage to your Game Boy. If battery leakage occurs, thoroughly wash the affected skin and clothes. Keep battery acid away from your eyes and mouth. Leaking batteries may make popping sounds.

To avoid battery leakage:

- Do not mix used and new batteries (replace all batteries at the same time).
- Do not mix alkaline and carbon zinc batteries.
- Do not mix different brands of batteries.
- · Do not use nickel cadmium batteries.
- Do not leave used batteries in the Game Boy. When the batteries are losing their charge, the power light may become dim, the game sounds may become weak, or the display screen may be blank. When this happens, promptly replace all used batteries with new batteries.
- Do not leave batteries in the Game Boy or accessory for long periods of non-use.
- Do not leave the power switch on after the batteries have lost their charge. When you finish using the Game Boy, always slide the power switch OFF.
- Do not recharge the batteries.
- Do not put the batteries in backwards. Make sure that the positive (+) and negative (-) ends are facing in the correct directions. Insert the negative end first. When removing batteries, remove the positive end first.
- Do not dispose of batteries in a fire.

Violence

Please follow the instructions below before attempting to play this game.

- Make sure the POWER switch is in the OFF position.
- Insert the Nintendo GAME BOY® ADVANCE Game Pak into the slot on the back of the Game Boy® Advance system, label facing AWAY from play side.
- Slide the POWER switch to the ON position to turn ON the power.
- Follow gameplay instructions throughout this manual.

After turning the POWER switch ON, the JUSTICE LEAGUE™ title screen will appear. If you do not see the title screen, follow the directions on the opposite page.

From the JUSTICE LEAGUE title screen, press START to proceed.

MENU & SUB-MENU NAVIGATION

Throughout this manual, ♠, ♣, ← and → will signify pressing up, down, left and right on the Control Pad. To navigate through the game menus (i.e. Options), use the Control Pad (♠, ♣, ← or → depending on the menu) to highlight a selection. To activate a selection or access the next menu, press the A Button. To go back to the previous menu and/or cancel the previous selection, press the B Button.

QUITTING A GAME IN PROGRESS

To quit a game in progress, press START during the game. The Pause Options screen will appear. Select QUIT and press the A Button.

The following pages will give you a description of what the controls are in JUSTICE LEAGUE. Refer to the graphic below for button locations.

MENU NAVIGATION

↑, ↓, ← or → on the Control Pad to
navigate through the available levels. As you complete a mission a
new level will unlock. When you
have a level highlighted your
Mission Briefing will appear.

MISSION BRIEFING

This will show you which two JUSTICE LEAGUE members will be used in the mission. It will also give you a brief explanation of where the mission will be located and what your job will be there. Press the A Button to begin your mission.

LEVEL SELECT MENU

MISSION BRIEFING

HUD (HEADS UP DISPLAY)

- A Player's Health Meter
- **B** Special Attack Meter
- C JUSTICE LEAGUE Icon Count
- D Big Boss Health Meter
- E Extra Lives Count

Keep your eye out for these important objects as you play!

POWER UPS

EXTRA LIVES

A spinning icon that increases the "lives" of the player by one. This icon is displayed at the start of each level and shows up briefly with the count in the bottom right of the screen once collected.

HEALTH

A sprite that when picked-up restores a portion of health to the active character's Health Meter. The amount of health to be gained varies from sprite to sprite.

HEALTH & ENERGY METER ENHANCEMENT

Adds an additional piece to the character's Health and Energy Meter, thereby increasing the maximum capacity of health and energy that can be recovered.

Power Ups Continued.....

ENERGY RECOVERY

A sprite that speeds energy recovery for the character. The amount of energy recovery to be gained varies from sprite to sprite.

JUSTICE LEAGUE ICON

For every 100 of these icons gathered, you receive an extra life. Icon and count shows up briefly in the left corner of your screen each time one is collected.

KEYCARD

Some doors will require you to have a Keycard in order to open them.

OTHER IMPORTANT ICONS

CHARACTER RESTORE

Brings your character back to full health.

Locked

SWITCHES

You will encounter switches that will need to be turned on/off in order to open doors, turn off force fields, etc.....

Destroy these enemy mind controlling HUBs.

Each level has two predetermined JUSTICE LEAGUE team members paired together. The mission level you select will determine the two heroes that will be used in your mission.

At the beginning of each mission, there will be a short dialogue between your two heroes. This will give you a little more information about what to expect and what your objective is.

There will be multiple opportunities to obtain power ups (extra lives, health, energy recovery, etc...) throughout the game.

When fighting against a Big Boss, they will have their own Health Meter in the upper right corner of your screen. This way you'll know when you're getting closer to defeating them. Timing your attacks are key.

Power-Up icons are available in multiple locations.

It's important to be strategic when fighting against a Big Boss.

Each Big Boss has a Mini Boss beneath them. A Mini Boss is usually guarding a key that you'll need to unlock a certain area in each level.

Don't forget to switch between your two heroes when your current hero's health starts to run low. Press SELECT when you are ready to switch from one character to the next.

Important enemy objects to look out for are Joker Blimps, Exploding Toy Ducks and Spinning Orbs. Make sure to dodge them to avoid damage to your hero.

Stay clear of the Joker Blimps

Be careful of Exploding Toy Ducks.

SUPERMAN

Sole survivor of the planet KRYPTON, SUPERMAN was raised on Earth by JONATHAN and MARTHA KENT. He was instilled with moral strength as great as his physical abilities.

Character Moves

Ground Attack 1 = One Arm Punch
