How To Cook

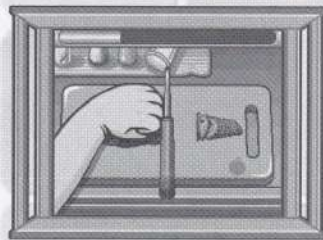

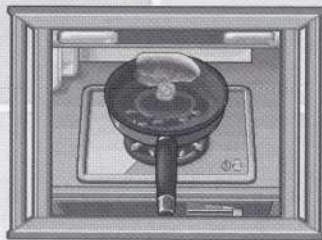

Hi! I'm Mama. To be successful in my kitchen, you have to be skilled with your stylus since it becomes your master kitchen utensil. All tasks from ingredient preparation to cooking occur on the Touch Screen. But don't worry - in **COOK WITH MAMA** mode I'll coach you every step of the way because I want a budding chef like you to turn into a master culinary artist like me!

Before you prepare each ingredient, I will let you know what to do--whether it's cutting, mashing, tenderizing, slicing, mixing...whatever! For example, to cut various foods, trace your stylus along the dotted line indicated on screen.

To dice vegetables, tap the knife rapidly. Peeling and rolling are more challenging but follow my on screen arrows and you'll learn to master each technique. When cooking foods like steak, you'll need to flip the meat in the frying pan. To do this, quickly trace the arrow on the frying pan handle. Once the meat is mid-air, watch the shadow on the stove to catch the steak in the pan.

I hope this quick refresher helps, but as you play, rest assured you'll pick up the skills you need to create delicious masterpieces in my kitchen. Now off you go!

MAIN MENU

At the Main Menu, choose from the following:

COOK WITH MAMA

When you cook with Mama, she'll help you out when necessary and ultimately grade your finished meal.

Choose from 12 available recipes at the start of the game and unlock 68 additional recipes as you successfully cook Mama's dishes. If you want to practice before cooking, select **PRACTICE** to brush up on your cooking skills. At the end of every finished dish, Mama will judge your cooking. Earn gold, silver or bronze medals with point totals for each recipe completed.

LET'S COOK!

In **LET'S COOK** mode, you'll be cooking for your friends who will judge your creations based on how they taste (and taste is determined by how well you prepared the meal). Choose from **MAMA** or **CHIKA** at the start of the game and unlock additional characters as you play and earn bonuses. After choosing a friend to cook for, select a specific recipe and get to work! After receiving your results, you can touch **PIC. DIARY** and place a picture of your meal in your picture diary. First, select the page you want to place the picture on and save it. When prompted with, "Show this diary to a friend?", choose **YES** and the friend you cooked for will appear in the picture.

COOKING CONTEST

The **COOKING CONTEST** is a battle of the master chefs! Select **SOLO CHALLENGE** or **FRIENDS CHALLENGE** to begin. Solo Challenge lets you perform specific tasks and try to beat your scoring records. Friends Challenge lets you go head-to-head with a friend to determine who is the better chef. To play against friends:

As a Host

Select **FRIENDS CHALLENGE** and wait for players to join. Once all players have entered, select **START**. Choose the mini-game and then play it. When the game is over, you can continue, play another mini-game or quit.

As a Client (1-3 players)
